

TB (Tuberculosis) Test Update Requirement

Student name (Last, First): _____ ID: _____ HR: _____

All students enrolled at Seoul Foreign School are required to have one of the following three tests done every other year. Your child requires one for this school year.

Test Options (circle one)	Date (mm/dd/yyyy)	Result
TB skin test OR Chest X-ray OR TB blood test (IGRA)		TB skin test: Chest X-ray: TB blood test (IGRA):

Please Note:

- If the TB skin test result turns out to be positive, either a Chest X-Ray or a TB Blood Test (IGRA) clearance is required.
- The BCG vaccination does not exempt a student from completing the TB requirement.

** Please note that SFS does NOT accept a student's physical exam certified by a parent who may be a physician or medical professional.*
